Things you need:

- pencil
- glue
- scissors / carpetknife
- cardboard / greaseproof paper
- coloured cardboard
- coloured transparentpaper
- old glass
- tealight

For a Mini you need am Mini, a street and a roof:

1. Push out the pattern.
2. Cut out the wishes pattern / you need greaseproof paper for this.
3. Glue the cut out piece of greaseproof paper onto a piece of cardboard.
4. Cut out the cardboard along the line.
5. The cutout pattern with a pencil on the coloured cardboard (copy).
6. Cut out the coloured cardboard cleanly, the inner contour with a carpetknife (ATTENTION: sharp blade).
7. You can now glue the roof and the street onto the Mini.
8. Glue the back of the coloured transparent paper onto the Mini, the inner contour must be fully covered.
9. The Mini knuckle line can now be broken.

The Mini is ready now, light up your living – room.
The tealight into an old glass behind the Mini and it lights up for you.

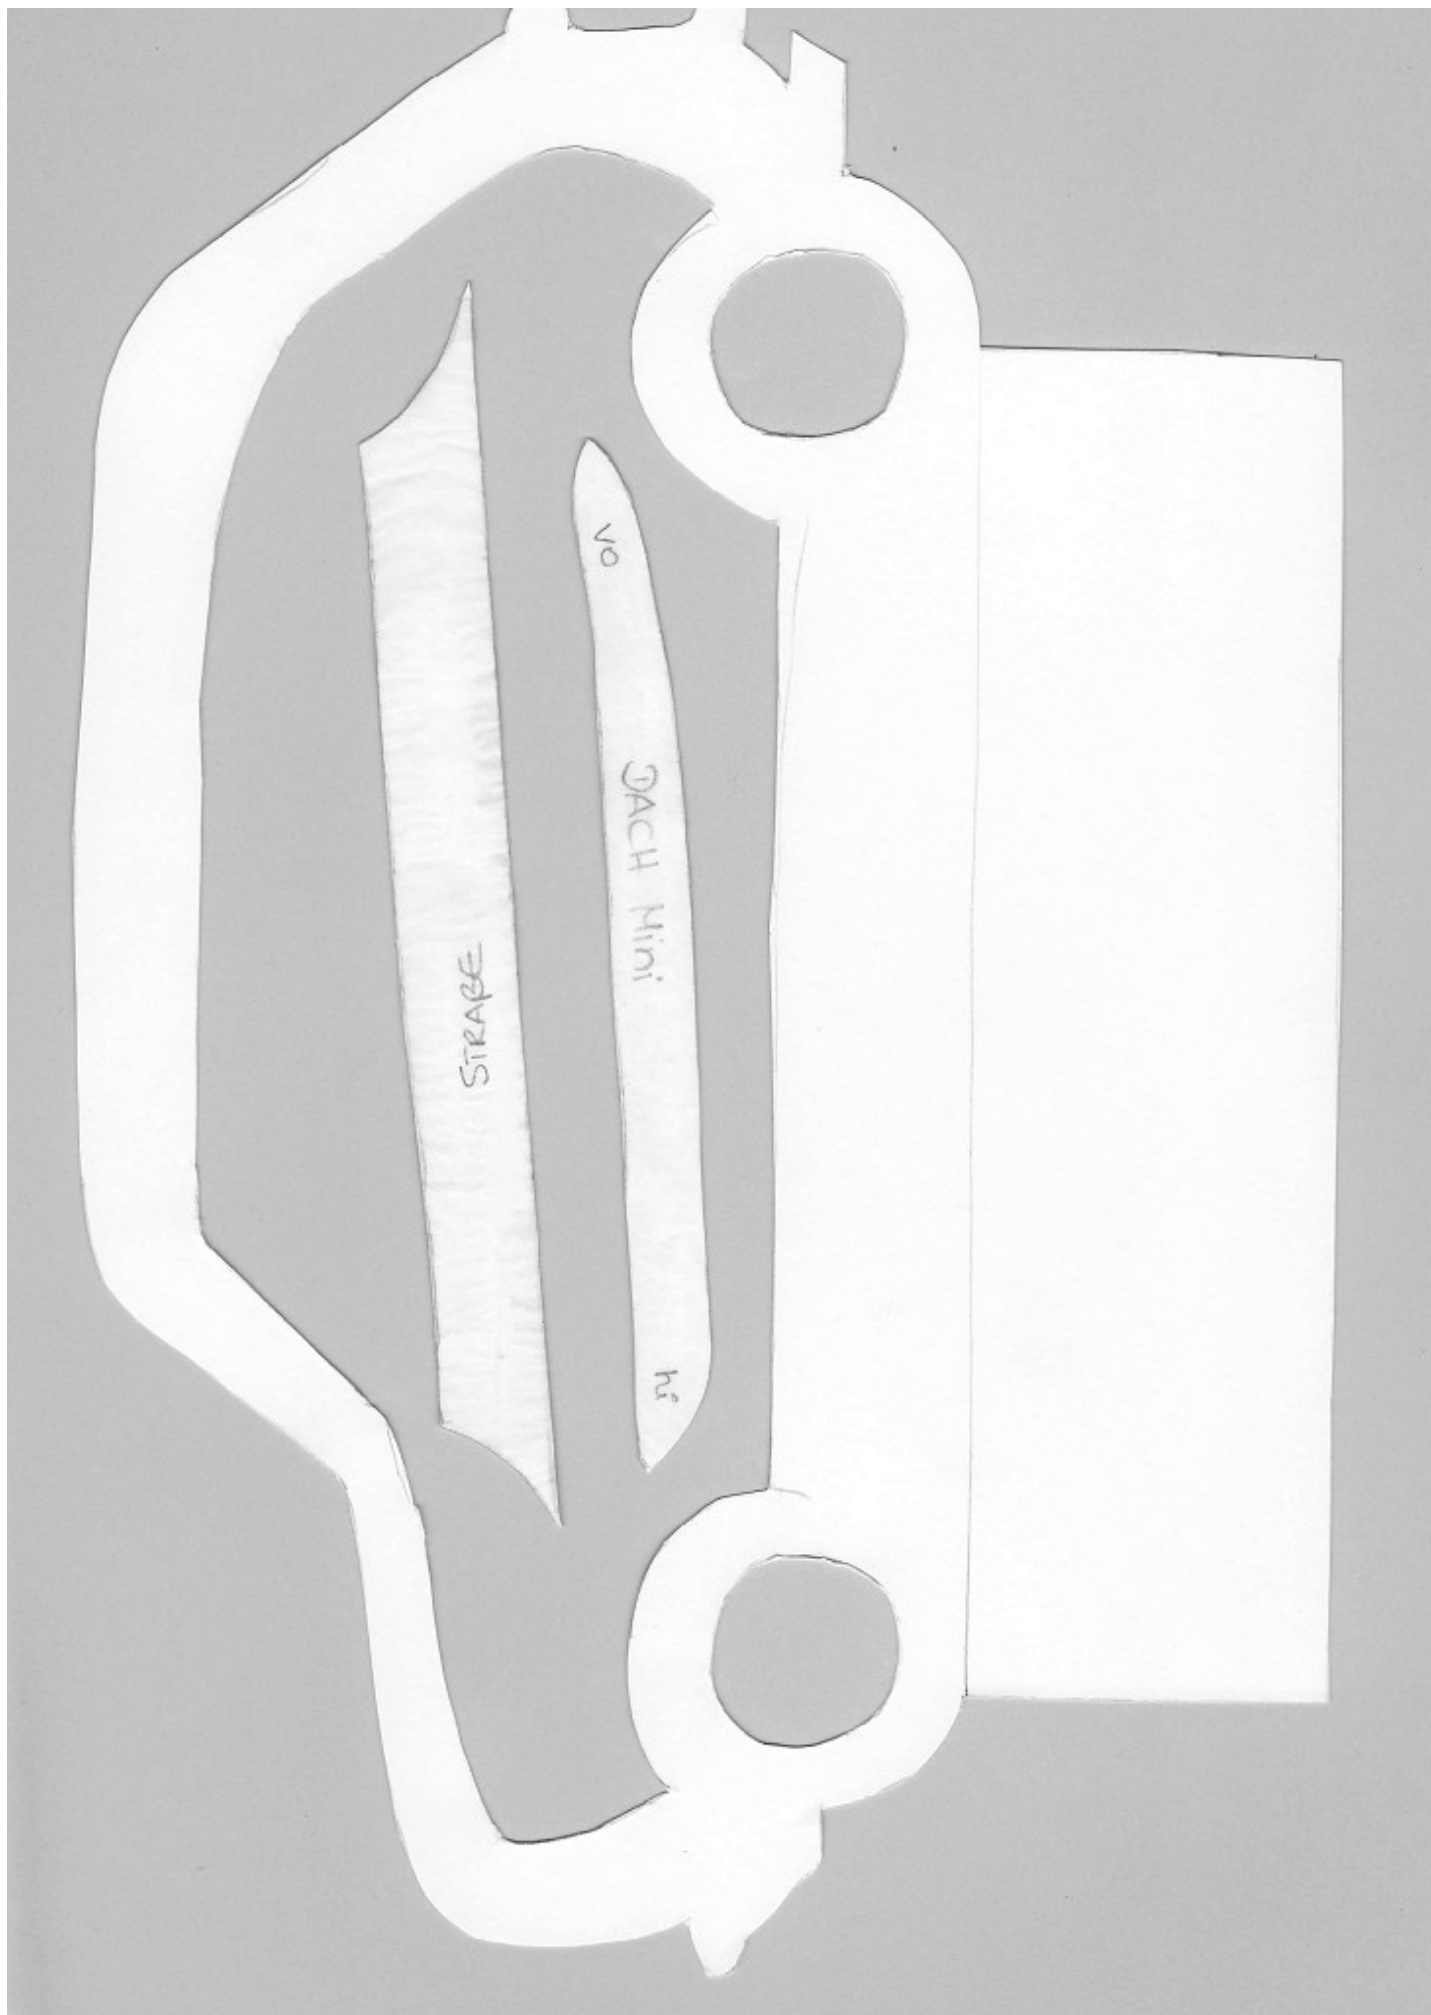

Attention:

- ⚠ Paper ist easily inflammable
- ⚠ Never leave the Mini unattended
- ⚠ No candle in the kids room
